WINTER WONDERLAND 冬日乐园

Welcome to our wonderful winter issue! We are celebrating the coming colder months by embracing this season's warmest and trendiest looks (page 28), beautifully shown in our leading fashion shoot shot at The Parisian Macao (page 42). A Parisian elegance flows throughout the rest of this fashion-packed issue too, from how to wear après-ski chic (page 20) to dressing like France's leading actress Marion Cotillard (page 18). As this is the season of giving, our pages also offer up plenty of fantastic gift ideas.

A perfect way to get into the Christmas spirit is to visit our two spectacular sparkling Christmas trees, each one created in collaboration with Swarovski and made out of millions of crystals all the way from Austria. St Mark's Square welcomes a tree over 12 metres in height while The Avenue des Champs Élysées at Shoppes at Parisian hosts a 7-metre tall tree. Both magical creations will be up until 6 January so be sure to drop by.

If you're looking for the perfect Christmas or Chinese New Year gift, don't miss DFS Masters of Time, the world's largest retail exhibition of fine watches and jewellery. Running from 3 December to 28 February 2017, it is a fantastic opportunity for guests and passionate collectors to experience limited edition collections and numbered pieces showcased exclusively. Held at T Galleria by DFS, Shoppes at Four Seasons, the show is a definite must-see.

Happy Holidays!

SAINT LAURENT

Head designer Hedi Slimane's last collection for the legendary French couture house marked a celebration of 1980s style. From belted waistlines and exaggerated bows, to ruffles galore and oversized shoulder pads, Saint Laurent offered a contemporary spin on classic 80s pieces. The show itself channelled the golden age of couture, as models paraded around a stunning historic house. The heart-shaped red cape proved an instant must-have and we can't wait to see what's in store for the cutting-edge brand.

Shop 1020a, Level 1, Shoppes at Cotai Central

总设计师Hedi Slimane为传奇法国高级时装品牌Saint Laurent设计的最后一个系列代表他对1980年代风格的表扬。从束带腰线、夸张的蝴蝶结、大型荷叶边和超大垫肩，Saint Laurent为80年代的经典设计加上现代色彩。时装秀的模特沿着令人叹为观止的历史悠久建筑物游行，展现了高级时装的黄金时代。心形红斗篷令人一见心动，马上打算据为己有；我们已经急不及待，要看看这前卫品牌即将上架的新品。
