New Luxury Brands Sign On for the Newly Renovated and Expanded Shoppes at Four Seasons

*Recent industry award underscores premium status of
Shoppes at Four Seasons*

(Macao, June 13, 2014) – Customers can expect an enhanced luxury shopping experience in Macao as new premium retailers prepare to move in to the newly renovated Shoppes at Four Seasons, scheduled to open in late fall 2014. Sands China Ltd.'s retail management team (Sands Retail) has announced 10 luxury brands which have signed on to become new tenants at Shoppes at Four Seasons: Bally, Dolce & Gabbana, Escada, Fratelli Rossetti, Jimmy Choo, Kurt Geiger, Lana Marks, MCM, Marina Rinaldi, and Rene Caovilla.

Shoppes at Four Seasons has 260,000 square feet of premium retail space featuring over 160 of the world's most prestigious luxury brands including Cartier, Gucci and Louis Vuitton. The renovated space will feature seven duplex stores totalling 39,000 square feet housing top-tier luxury brands in keeping with the mall positioning. Other brands moving into the duplex stores and renovated space are still to be announced.

Already, Shoppes at Four Seasons is being recognised for its innovation in bringing the best shopping experience for customers. The property has captured the prestigious RLI Shopping Centre Renovation 2014 award at the recent 9th annual Global Retail & Leisure (RLI) Awards, which pays tribute to the most visionary and innovative retail and leisure concepts around the world.

“We are proud to be recognised by our clients and peers for our team’s dedication in bringing the best luxury shopping experience,” said David Sylvester, Senior Vice President of Global Retail, Sands Retail. “We look forward to bringing a more enhanced experience for our customers, as we unveil our first premium duplex stores and a new mix of luxury brand tenants at Shoppes at Four Seasons in late fall 2014.”

The RLI Shopping Centre Renovation 2014 award category recognises the shopping centre that demonstrates innovation in its renovation through architecture and design, and how it helps enhance or rejuvenate its community and improve sustainability. Shoppes at Four Seasons emerged victorious in this hotly contested category against strong competition from Europe and the Middle East.

Sands Retail was also shortlisted for the RLI Developer 2014 and RLI Global Leisure Operator 2014 categories of the Global RLI Awards 2014.

Over the past seven years, Sands Retail has developed four of the most successful shopping centres in Asia: Shoppes at Four Seasons, Shoppes at Venetian and Shoppes at Cotai Central, all centred on Macao's famous Cotai Strip, and the Shoppes at Marina Bay Sands in Singapore.

“The continued expansion and development of Shoppes will further strengthen our location advantage,” Sylvester added. “The tenant mix we have at each property is unique to the market, which will reinforce our positioning as one of the best integrated shopping centres in the world. Our continued development will further set us apart from the competition in Macao and in the Asia Pacific region, keeping the industry moving forward for years to come.”
