*Best Store Performance awards were given to 10 winners
from 9 categories at Sands Shoppes*

(Macao, Dec. 16, 2015) – Sands Shoppes hosted the inaugural Sands Retail Awards ceremony yesterday to reward and recognize retailers at Sands Shoppes for their commitment to service excellence throughout 2015. The event was hosted in conjunction with the Sands Retail Academy Graduation ceremony on Tuesday.

Acknowledging and rewarding the involvement and performance of retailers at Sands Shoppes is an important part of the overall service strategy of Sands Retail. This gives recent graduates from the Sands Retail Academy the opportunity to be recognized once again as they put everything they have learned into practice.

“By introducing these awards we are showing our retailers that their efforts to provide our guests and customers with the highest level of service possible is greatly appreciated,” said David Sylvester, executive vice president of Global Retail, Las Vegas Sands Corp. “We also hope that the annual ceremony will serve to inspire both the retailers and their staff members to provide an even higher level of service, which will be to the benefit of Sands Retail, the retailers and their employees and of course our customers.”

Awards were given out for Best Store Performance to winners from the following categories including: Luxury Fashion, Luxury Watch & Jewelry, High Street Fashion, High Street Watch and Jewelry, Beauty, Highest Point Redemption, Highest Number of Transactions, Food and Beverage as well as the General Retail Award. The winners were selected based on the assessment of their sales performance, overall shop presentation and customer services throughout the year.

Sands Retail knows the cornerstone to success is a commitment to quality service. These awards recognize and reward retailers and their team members as they continue to offer guests and visitors to Sands Shoppes the best duty-free shopping experience in Macao.
